

Is your church struggling with church growth, lagging finances, loss of membership and negative attitudes? Maybe it's time to do something different.

Huntsville Bible College is offering an eight-week course on

Church Planting and Growth

Beginning June 3, 2017 from 9:00 – 11:30 a.m.

Because of the critical nature of church growth, HBC is willing to allow you to bring a team: The pastor and two other persons (or three church members) for the costs of the course (\$525).

You will be exposed to:

- How to reach and keep members
- How organization affects church growth
- How to encourage and assimilate prospects into the church
- How to improve giving
- How to manage a multi-generational church in the 21st century and build a sustainable youth ministry.
