A Message from the President

Welcome to HBC! Since 1986, HBC has been dedicated to the preparation of leaders for ministry, support of missions at local churches, and assisting students in achieving their career goals. Today, more than ever before, we need leaders who are aware of critical world issues that challenge our faith and are ready and willing to confront these issues with biblical principles and the power of the Holy Spirit.

We have embarked upon a new era in the life of the College. Preparations are being made with you in mind that will enable you to achieve your goals and aspirations and meet your needs. You are the reason for our existence, whether you are a high school graduate, adult leader, bi-vocational minister or just an interested person seeking spiritual enrichment or a career change. We are here to serve you!

This catalog has been prepared to provide information regarding:

- The College
- Programs
- Finances
- Admission Requirements
- Student Life
- Course Offerings

We encourage you to explore this catalog as well as HBC's website at www.hbc1.edu to find what meets your interest and need. If you have not yet joined the College family, we invite you to do so. We are here to help you "*Shape Your Life so you can Shape the World.*"

Dr. John L. Clay, President

GENERAL INFORMATION

This section of the catalog provides an overview of Huntsville Bible College (HBC) and gives general information about the College as it relates to beliefs, goals, and objectives.

OUR MISSION

HBC is an institution of academic and spiritual excellence committed to training and educating men and women for the work of ministry and preparing students for life.

HBC's mission is obtained as we seek to foster spiritual growth and development and provide educational opportunities for:

1. Life/careers in job-related fields;
2. Church leadership in Pastoral Ministry;
3. Service for Christian ministers, mission and evangelism workers, and other ministries and organizations; and
4. Leadership for Christian education teachers, youth workers, and church leaders for local congregations.

STATEMENT OF FAITH

HBC is committed to training disciples for Christ for the glory of God and the betterment of humankind. In support of our commitment, we strongly and sincerely believe:

- There is only one God and the Trinity of the Godhead is the Father, Son, and the Holy Spirit.
- The Scriptures of the Old and New Testaments are the Word of God and the only rule of faith and practice.
- Man is born with a sinful nature and is inclined to be evil by choice and cannot save himself.
- God so loved the world that He gave His only Begotten Son, that whosoever shall confess with the mouth the Lord Jesus, and shall believe in thine heart that God hath raised Him from the dead, shall be saved.
- Believers are to be guided by the Holy Spirit through faith in the Lord Jesus Christ.
- Faith is the gift of God, and good works are the fruit of faith.
- Those born again are justified in the sight of God alone by the righteousness of Jesus Christ imputed to them by faith.
- Marriage is between a man and woman.
- God's plan for the present day disciple is to go and make disciples of all nations through the witness of every believer and to teach them to obey His commandments.

INSTITUTIONAL PROFILE

Huntsville Bible College (HBC) is a postsecondary biblical institution that believes it is important to balance the responsibilities of family, church, and work to meet the needs of each individual in a personal way. HBC, formerly Huntsville Baptist Institute, was established in 1986 as a 501 (c) (3) institution of higher education to prepare individuals to become preachers and church leaders by assisting local churches to carry out their mission. To meet the future needs of the students and the community, HBC has expanded its program offerings to various fields of study.

HBC is a non-traditional institution that offers daytime and evening classes for the adult learner on campus, on-line, and on Saturdays in a small setting. The College is licensed by the Alabama State Department of Education, Alabama Community College System, P. O. Box 302130, Montgomery, AL 36130 as a Private Institution and is accredited by the Association of Biblical Higher Education, 5850 T.G. Lee Blvd., Suite 130, Orlando, Florida, 32822 to award certificates and Associate of Arts, Bachelor of Arts, and Master of Ministry degrees.

HBC has a diverse student and faculty population by gender, ethnicity, and faith. The College is nestled quietly in the center of Huntsville approximately two miles north of the Madison County Courthouse on Oakwood Avenue across from the Huntsville Emergency Medical Services, Inc. (HEMSI).

EDUCATIONAL PHILOSOPHY

The Gospel of Matthew in the Contemporary English Bible closes with these words from Jesus to his disciples: “Go to the people of all nations and make them disciples. Baptize them in the name of the Father, the Son, and the Holy Spirit, and *teach them* to do everything I have told you. I will be with you always, even until the end of the world.” From this biblical backdrop, HBC is *committed to training disciples for Christ*.

The founders of the College (The Mallard Creek Primitive Baptist Association) believed that an effective church required biblically educated leadership for equipping of the saints for Christian ministry. To this end, they established a school for the teaching of the Bible. Today, the Board of Directors, the President, administrative staff, and faculty continue to build the College on this fundamental principle. We believe that a Bible college is a calling of God to be an instrument for His glory. We are convinced that a Bible college should embrace the demand Jesus places upon believers to make disciples of humankind.

We believe that those who teach in a Bible college should have experienced a process of spiritual transformation and accept the teaching position as a Christian ministry rather than an employed position.

We believe that the students of a Bible college should be committed Christians seeking a higher level of biblical/theological understanding for the purpose of fulfilling a call to serve the most high God. These basic principles provide the foundation for the existence and future development of HBC.

INSTITUTIONAL GOALS

HBC exists for the purpose of educating Christian men and women to live according to biblical principles consistent with the will of God and to become effective communicators of the Gospel of Jesus Christ for the saving of the lost and the healing of the hurting. To assist in accomplishing its mission, the College has established the following institutional goals:

- To provide a comprehensive educational system that includes the teaching of biblical and theological studies, general education that contributes to life-long learning, and professional studies related to Christian ministry.
- To provide an educational environment conducive to an effective teaching-learning process.
- To foster an educational climate that encourages students to think critically and discuss freely their ideas, beliefs, and opinions with regard to matters of their education.
- To provide adequate educational resources through the HBC library (Learning Resource Center) that will enable students to achieve their educational goals.
- To encourage academic freedom on the part of instructors consistent with the policies established by the College Board of Directors.
- To provide educational opportunities for the Christian community through special courses, seminars, and workshops.
- To deliver educational services from a biblical perspective to its students and the community with a high degree of integrity appropriate to institutions of higher education.
- To provide educational programs to meet the general and specific needs of those whom it seeks to serve.

INSTITUTIONAL LEARNING OUTCOMES

In conjunction with its mission and institutional goals, the educational programs provided by the College are designed to enable its students to:

1. Communicate effectively in oral and written forms and comprehend complex ideas through reading and listening.
2. Develop spiritual transformation exhibited through Christian character and commitment to the work of Christ to the glory of God.
3. Develop skills for preparing and delivering life-changing sermons to contemporary audiences.
4. Develop leadership skills in pastoral ministry, Bible teaching, and in other ministries of local churches.
5. Acquire knowledge and develop an understanding necessary for engaging in Christian missions and evangelism.
6. Apply techniques of critical, logical, and analytical thinking to life's issues.
7. Develop a historical perspective of Christianity and the early church; acquire knowledge of the arts, literature, and human behavior, and how they impact the Christian faith.
8. Develop comprehensive knowledge and understanding of the Bible and theology, and discover ways of applying them to life.
9. Use the tools of research to discover new information and to solve human problems.
10. Demonstrate knowledge and understanding of curriculum development and teaching techniques.
11. Develop social skills that exhibit love and respect for others irrespective of religious and cultural differences.
12. Acquire knowledge and develop understanding of the social and natural sciences.

ACCREDITATION STATUS

HBC is nationally accredited at the undergraduate level (2007) and graduate level (2013) with the Commission on Accreditation of the Association for Biblical Higher Education (ABHE), the oldest Bible college accrediting agency specializing in biblical ministry formation and professional leadership education. ABHE is officially recognized by the U. S. Department of Education and the Council for Higher Education Accreditation (CHEA). It is also one of the eight regional associations that make up the International Council for Evangelical Theological Education (ICETE), representing North America.

ABHE provides the best option for maintaining high academic standards while sharing the Christian faith. Accreditation standards on Institutional Integrity with ABHE require institutions to be open and honest about its compliance regarding accrediting, licensing, and governing bodies.

In 2012, a visiting ABHE team of administrators and professors from across the Nation sanctioned HBC's self-study and ABHE reaffirmed and acknowledged the satisfactory accreditation standing of the Institution until 2022 with all the rights, privileges, and honors that pertain to it. This is the longest possible re-accreditation term that ABHE confers.

POLICIES AND PROCEDURES

This section contains information about admissions and academic information as it pertains to policies and procedures.

Admission Procedure

To enroll in HBC, the applicant should obtain an application packet from the Office of Admissions. The application packet contains the necessary information for enrolling and may be obtained by calling the Registrar at 256-469-7536 or by visiting the campus.

To apply for admission to the College, the applicant should:

1. Contact the College for an admission packet that contains the information and forms needed to complete the application process; then
2. Complete the required forms and mail them to:

HBC
Office of Admissions
906 Oakwood Avenue
Huntsville, AL 35811 **OR**

3. Apply online at www.hbc1.edu.

As a part of the admission process, applicants are required to take the ASSET and the Bible Knowledge placement tests. The Office of Admissions will contact applicants concerning the administration of these tests. After the tests have been administered and scored, the Registrar will inform the applicant in writing of the College's decision with regard to admission and if remedial courses are required based on the results of the tests.

Admission Requirements (Undergraduates)

HBC believes that admission is central to student success in any academic program. Student outcome depends, to a large measure, on what a student brings to a program of study. Therefore, the College accepts applicants whose prior learning includes graduation from an accredited high school or completion of the GED Certificate, and who are committed to their spiritual development.

1. Placement Testing – Required for all students, except transfer students with passing grades in English and math. All students are required to take the ABHE Bible Knowledge Test for proper placement in Bible courses.
 - 1) If the student scores in the acceptable range on the placement tests they will be admitted to the college. [Baseline scores for placement tests: Math - 17; Reading - 20; Bible Knowledge - 30]

- 2) If a student scores below the baseline they will be required to take remedial classes. Two options are available:
- a) The student may be admitted as Regular Status, receiving Financial Aid, but required to take remedial courses. [If the combined score in Math and Reading is 35 or less, but greater than 20]
 - b) The student may be admitted on Probationary Status, receiving no Financial Aid; however, permitted to take at least two remedial courses and passing with a 'C' or better. [If the combined score in Math and Reading is below 20]

Admission Requirements (Graduates)

The applicant must have:

- Earned bachelor degree from an accredited Bible college or an accredited college or university
- A satisfactory score on the Admission Requirement Test
- Completed application form and payment of the application fee

First-Time Students

Applicants seeking admission to a degree program at HBC are required to have at least a high school education, substantiated by an official transcript or a GED Certificate.

HBC offers courses that do not lead to a degree. In such cases, the educational requirements for students seeking admission to regular programs do not apply.

New Student Registration

Registration will close one week before classes begin each semester. All new students will need to make sure all paperwork is submitted one week prior to the start of the semester.

Transfer Students

HBC accepts students from other colleges and universities with similar admission requirements and academic credits. To be admitted with transfer credits, HBC requires that the student must:

1. Be in good standing (no previous expulsions) with the school last attended.
2. Have official transcript(s) from all schools previously attended sent to HBC.
3. Have a GPA of 2.00 (on a 4.00 scale) or better from the last school attended to be accepted as a full-time student; otherwise, the student will be admitted conditionally with half-time status.
4. Have records that show academic progress commensurate with HBC's Standard Academic Progress (SAP) policy.

The transferring student:

- Is accepted on a conditional basis until transcripts and all other required documents are received. If transcripts and documents are not received by the end of the add/drop period, the student will be removed from the course roster.

- With less than 33 credit hours is required to take a placement test. Students transferring with more than 33 credit hours are only required to take the Bible Knowledge Test.
- Must complete at least 36 hours at HBC to earn a bachelor's degree and 24 hours to earn an associate's degree.

To receive credits from other colleges and universities or military training, the student must request official transcripts from each college, university, and/or military branch previously attended be sent to HBC for a proper evaluation before the admission process can be completed. Official transcripts from these institutions must be sent directly to the Office of Admissions.

Special Students

Students in this category are those persons who do not wish to pursue a Bible college program but have the desire to take a course(s) to satisfy their interest or need. Those who meet the general requirements for the certificate program are admitted and may receive college credits for courses completed. Those who do not meet the general requirements for the certificate program may be allowed to audit courses, depending upon course requirements and the order in which the course appears in the catalog.

Application Fee – Graduate (one-time, non-refundable)	\$50.00
Registration Fee (per semester)	\$50.00
Library Fee (per semester)	\$50.00
Tuition (per credit semester hour)	\$235.00
Graduation Fee	\$100.00

Other Fees:

Audit Fee (per audit semester hour)	\$90.00
Transcript Fee (after the first copy)	\$5.00
Online Fee (per course)	\$50.00
Technology Fee (all students per semester)	\$75.00

Explanation of Fees:

- **Application Fee:** Charges to students when submitting an application for admission (non-refundable). This charge also applies to former HBC students returning after an absence of five years or more.
- **Registration Fee:** Charges to students each semester in order to register for classes.
- **Library Fee:** Charges to students each semester for use and maintenance of the Library (Learning Resource Center) and its services.
- **Tuition Fee:** Charges per credit hour for each course taken during a semester.
- **Audit Fee:** Charges to audit a course. No credit hours or grade will be earned by auditing a course.
- **Graduation Fee:** Charges to graduating students receiving a certificate or a degree.
- **Transcript Fee:** Charges to students for the cost of preparing and mailing transcripts after the first copy. The first copy is FREE.
- **Online Fee:** Charges for taking a course through the online system, Edvance360.
- **Technology Fee:** Charges to all students to enhance instructional technology services and infrastructure for students.

Payment

Payment of tuition and other fees are due at the time of registration or by the first day of class. Payments can be made through financial aid, cash, checks, credit cards, and payment plans. Those on payment plans must make 1/3 down at registration with the remaining balance divided into monthly payments and paid through the end of the semester. Students who have not paid tuition and other fees will not have access to grades, awards, or transcripts until the fees are paid in full. Students may not be able to register the next semester with an unpaid balance.

Refund Policy

It is anticipated that because of certain conditions, a student may find it necessary to withdraw from the College or to withdraw from a particular course before the end of the semester in which he/she has enrolled. When this occurs, HBC will refund tuition according to the schedule below. The official date of withdrawal will be the date the Registrar receives notification (in writing) from the student.

Before Classes Begin	100%
During the First Two Weeks (add/drop period)	100%
After the Second Week	No Refund

Veterans' Aid

Financial assistance may be available to veterans of the armed services or their family members. Questions concerning eligibility should be directed to the Financial Aid Office. Once eligibility has been established, it is the student's responsibility to notify the Financial Aid Officer.

Scholarships

HBC provides limited scholarships for students who may not be able to pay the full tuition but exhibit the ability to complete a college program. To qualify, an applicant must complete the scholarship application and obtain a completed recommendation form. Students receiving scholarships must be enrolled in two or more courses and maintain a 2.5 grade point average or better. Students requesting a scholarship should contact the Financial Aid Office.

Federal Financial Aid

HBC participates in the Federal Pell Grant and Federal Student Loan programs. Pell Grants are usually awarded to undergraduate students and Direct Student Loans are available for both undergraduate and graduate students with financial needs. The Financial Aid Officer will gladly assist students with the necessary information to apply.

Financial Aid Attendance Policy

Attendance in class is critical to securing and maintaining financial aid.

- If a student does not attend all classes prior to the add/drop period without a viable excuse, financial aid will be revoked for that semester.
- If a student misses more than 50 percent of his/her classes during a semester, financial aid for the next semester may not be granted. A student may appeal for extenuating circumstances.

Financial Aid Distribution of Refunds

All new students and students on academic probation due to unsatisfactory class performance will receive refunds in the following increments:

1. 75% during the fifth week of class; and
2. The remaining 25% in 30 days after the initial disbursement.

All other students will receive 100% of their refund distribution during the fifth week of class.

*“Go therefore and make disciples of all the nations...
teaching them to observe all things that I have
commanded you; and lo, I am with you always,
even to the end of the age.”*

Matthew 28:19-20 (NKJV)

ACADEMIC INFORMATION

This section contains basic information regarding the academic year, classifications, attendance, academic progress, and graduation.

Academic Year and Semester Hours

An academic year at HBC consists of three semesters: fall, spring, and summer. Fall and spring semesters consist of 16 weeks and the summer semester is 9 weeks. One semester hour is equal to fifty minutes of instruction per week. Most classes consist of three semester hours.

Class Standing

Class standing denotes the level of a student's achievement toward the completion of a standard four-year curriculum. Thus, students are classified according to the number of semester hours successfully completed according to the table below:

CLASS STANDING	SEMESTER HOURS SUCCESSFULLY COMPLETED
Freshman	0-33 Hours
Sophomore	34-63 Hours
Junior	64-95 Hours
Senior	96 Hours & Above

Degree Completion Timeframe

If a student does not complete an associate degree within four years or a bachelor degree within eight years they will be governed by degree programs in the most recent school catalog.

Grades and Quality Points

All students are encouraged to achieve to the maximum of their potential. Student achievement is reported as grades earned in a course of study. Instructors post grades from assignments, quizzes, mid-terms, finals, etc. into CampusSIS. Grades are accessible to students in CampusSIS. However, students who have outstanding balances at the end of a semester will not have access to grades until all balances are cleared.

Grades and quality points are earned and recorded according to the following scale:

Letter Grade	Score-Grades	Quality Points
A	90-100	4
B	80-89	3
C	70-79	2
D	60-69	1
F	59-Below	0
I	Incomplete	
W	Withdrawal	

Note: Parents/guardians of dependent students have the right to receive a copy of his/her child's grades. Access to grades can be granted through CampusSIS.

Incompletes (I)

An "I" is a temporary grade assigned to a student who has extenuating circumstances during the last weeks of a semester and is unable to satisfactorily complete his/her work in the required time limits of the course. The student will then work with the instructor to complete the assignments in the next regular semester. It is the student's responsibility to initiate contact with the instructor and to complete all assignments in a timely manner. If the student does not complete the course work during the next semester, a grade of "F" will be entered on the student's transcript. An "Incomplete" is not granted to allow a student more time to complete a course if the student has mismanaged his/her time.

Withdrawal (W)

A "W" is a grade assigned when a student has withdrawn from a class after the add/drop period and up through the first ten weeks. A withdrawal after the first ten weeks is limited to extenuating circumstances approved by the Academic Dean. Avoidance of a poor grade is not justification for withdrawal.

Administrative Withdrawal Policy

It is the obligation of the Administration to withdraw a student from a class or classes for one of the following reasons:

1. **Attendance:** The Administration will withdraw a student from a class/classes if the student:
 - a. Does not attend class at all during the first four week period of the semester; **or**
 - b. Misses three or more sessions of a class during the first five weeks of the semester; **or**
 - c. Misses five classes within the first 10 weeks of the semester.
2. **Payment:** The Administration will withdraw a student from a class/classes if:
 - a. Full payment of tuition and fees are not paid at the time of registration or by the first day of class; **or**
 - b. One-third of tuition, fees, and a signed payment plan are not in place; **or**
 - c. The student is not eligible for financial aid; **or**
 - d. There is no other official written agreement with the College.
3. **Documentation:** HBC must receive all of the student's transcripts from all colleges and universities attended along with all financial aid documentation within two weeks of the beginning of the semester. If required documentation is not received and/or sufficient, the student will be subject to administrative withdrawal.
4. **Return of Financial Aid Funds:** When a student withdraws from all classes prior to completing 60% of the semester, the return of financial aid funds will be initiated.

Procedure for Administrative Withdrawal

The administrative withdrawal will be initiated by the Registrar and will begin after the required data has been verified and approved by the Academic Dean. Students facing the prospect of administrative withdrawal will be notified by the Academic Dean by both email and first-class mail of the impending action that will be taken by the College administration. The student will have five business days to reply. At this time, the student has the opportunity to meet with the Academic Dean, Registrar, and Financial Aid Director to review his/her situation. Once the student has been officially withdrawn, the Financial Aid office will be notified by the Registrar and the appropriate financial aid action will be taken. After the administrative withdrawal has been exercised, the student will be informed of such action by letter from the Registrar.

Add/Drop Period

The add/drop period is the first two weeks of class during the spring and fall semesters and the first week during the summer semester. During this period, a student may add or drop a course without penalty. No grade will be assigned if a course is dropped during this period, and the student is removed from the course roster.

Satisfactory Academic Progress (SAP)

All students are expected to maintain satisfactory academic progress toward completion of a certificate or a degree within a reasonable period of time. Satisfactory academic progress status will be determined at the end of each semester. The measure of satisfactory academic progress is based on the number of hours the student attempts at HBC (including transfer credits) and the grade point average (GPA) as indicated below. Students not meeting the desired GPA are placed on SAP status and are required to enroll in and complete the OR 102 Career Prospective course.

CREDIT HOURS ATTEMPTED	MINIMUM CUMULATIVE GPA REQUIRED
0-18	1.50
19-45	1.75
46+	2.0
Graduate Student	3.0

In order to maintain satisfactory academic progress toward completion of a certificate or degree, the student must successfully complete a minimum of 67 percent of all credit hours attempted at HBC. Hours attempted also include withdrawals and incomplete courses. This assessment begins after a student has attempted a total of 18 credit hours.

Assessment of Learning Outcomes

HBC maintains a process of assessing student learning outcomes to determine the effectiveness of the teaching-learning process. The process includes the involvement of the faculty, students, and staff. Assessment results are used in program planning for academic enhancement.

Repeating a Course

A student may be allowed to repeat a course for which he/she has received a failing grade. If the student passes the repeated course, only that grade will be used for GPA calculations. A student

will be allowed to repeat the same course up to three times. The course repeated will be considered as hours attempted and the credit hours will be considered when determining a student's satisfactory academic progress. A student cannot receive financial aid for repeating a course in which he/she has received a passing grade.

Academic Probation

When a student's cumulative semester GPA falls below the required cumulative GPA for credit hours attempted, the student will be placed on academic probation for the next semester. The student's GPA for the following semester must be the required cumulative GPA or better for credit hours attempted. If not, the student will be suspended from the College but may be allowed to return after one semester. When a student returns after a period of probationary suspension, he or she must achieve the required cumulative GPA for credit hours attempted by the end of the semester in order to remain in school.

Transfer students may be accepted on academic probation and restricted to six (6) hours for the first semester if their previous academic history is unsatisfactory. They will also have one semester to raise their semester GPA to the required cumulative GPA or better for credit hours attempted. If a student fails to do this, he/she may be suspended but may return after one semester with the approval of the Academic Dean for readmission to the program.

Course Loads

The normal course load for a full-time undergraduate student is twelve (12) credit hours per semester. A student may take up to fifteen (15) or more hours with the approval of the Academic Dean. A normal course load for a full-time graduate student is nine (9) credit hours.

Course Schedules

Most of the courses at HBC are three credit hour courses that meet once per week for 2.5 hours for sixteen (16) weeks (per semester). During the summer semester, most classes meet two times per week for nine (9) weeks.

Class Attendance (Campus & On-line)

Students are required to attend classes as scheduled. However, due to mitigating circumstances, a student may find it necessary to be absent from a class. In such cases, one (1) absence per credit hour is permissible. If a student has more absences than are allowed, he/she must have permission from the Academic Dean to continue taking the course. Students taking on-line classes are expected to login each week. On-line logins are monitored weekly.

Withdrawal from College

Any student who wishes to withdraw from HBC must get approval from the Academic Dean, Student Advisor, and Financial Aid Officer. Classes missed by students who drop without approval will be treated as absences and a grade of "F" will be assigned for each course in which the student was enrolled in before an unofficial withdrawal.

Graduation

A student will receive a degree or certificate when the following conditions are met:

1. All required courses are completed.
2. All fees and tuition are paid.
3. A GPA of 2.00 or higher (undergraduate) **OR** 3.00 GPA or higher (graduate).

Transcripts

The Registrar maintains a permanent record of all courses a student has attempted, along with grades, distinctions, suspensions, dismissals, and certificates or degrees conferred.

With the written request of the student, the Registrar will release transcripts to other parties, such as colleges, universities or employers. The official transcripts will be mailed directly to the requested entity.

The first transcript is free. After the first transcript, there is a charge per transcript as indicated in the schedule of fees and tuition. Transcripts will only be released when students have met their financial obligation to the College. Request for transcripts must include the name and address of the party to whom it should be sent, along with the appropriate fee, social security number, current address, phone number, and personal signature of the student making the request..

Distance Learning Policy

I. Institutional Policy and Issues

A. Purpose

The purpose of the HBC Distance Learning Policy is to assure high quality in the delivery of distance learning with regard to instruction and procedures. HBC approaches its distance learning activities with the recognition of its mission to assist students in the timely achievement of their spiritual, professional, and career goals.

B. Definition

For the purposes of this policy, Distance Learning is defined as instruction delivered via the internet through Edvance360.

The current policy is reviewed periodically to conform to accreditation standards and requirements of the Department of Education.

II. Curriculum and Instruction

A. Academic Integrity of Distance Learning Courses

Distance Learning courses are comparable to campus-based courses in terms of syllabi, textbooks, grading, methods of evaluation, and expected learning outcomes. Distance learning courses are subject to the same policies as stated in the College catalog for campus-based courses.

B. Faculty Interaction with Students

Communication is essential to the success of all courses. Specific requirements for planned interaction and timely feedback between students and faculty are detailed in

course materials and presented on Edvance360. Methods of interaction may include email, phone, fax, chats sessions, or discussion boards.

C. Faculty Responsibility

The instructor is responsible for the course content, delivery of instruction, and evaluating student progress in distance learning courses. Fifty percent of course content should be loaded three weeks before the semester begins. Faculty is also responsible for timely communication in distance learning courses. Faculty will evaluate courses each semester in which a particular course is taught to determine the accuracy of content material.

D. College Honesty

It is the responsibility of each student to refrain from academic dishonesty. Academic dishonesty includes but is not limited to plagiarism, cheating, fabrication, aiding in abetting, collusion, and unauthorized possession or distribution of academic material.

III. Faculty

A. Faculty Qualifications

Faculty members who teach distance learning courses must meet the same qualifications as faculty who teach campus-based courses at HBC.

B. Faculty Training

HBC provides training sessions for on-line instructors. On-line instructors must complete a four hour tutorial provided by Edvance360 to become familiar with the Edvance360 system. Additional training in Camtasia will be provided as needed to ensure faculty members remain current in the use of the technology provided. After completion of the training tutorial, faculty members will receive a certificate before being permitted to teach on-line courses.

C. Faculty Evaluation

Distance learning faculty members (on-line instructors) are evaluated in the same manner as those who teach campus-based courses. Student evaluations are completed on-line in all courses. The results are used to guide course revisions and are given to the Academic Dean.

IV. Student Support Services

A. Student Services

Students taking on-line courses follow the same procedures for admission and registration for classes as those taking campus-based classes. Information for orientation, registration, and financial aid is available on the College's website. Students should consult their advisor prior to registering for on-line courses.

B. Library Resources

The College ensures that students participating in distance learning courses (on-line) have access to adequate and appropriate learning resources. Students have on-line access to the Alabama Virtual Library (<http://www.avl.lib.al.us>) and may access the library by going to the College's website.

V. Registration and Testing

A. Students Residing within 35 Miles of College

All students enrolled in on-line courses who reside within 35 miles of the College's main campus are required to register and take exams (mid-term and finals) on campus. The instructor will inform students of the date, time, and room where tests will be given. Instructors will provide the 'password' for tests to staff members serving as proctors during testing week of mid-term and final exams.

B. Students Residing Beyond 35 Miles of College

Students residing out-of-state or beyond the 35 mile limit will be required to secure a proctor for mid-term and final exams at a local community college computer lab. The computer lab instructor at the institution will notify the HBC course instructor that he/she are willing to serve as a proctor; and the HBC instructor will email the proctor the 'password' for the test during the week of testing. The purpose of all distance learning policies is to safeguard the integrity of the course as well as the College and provide the student with the highest caliber of education possible.

VI. On-line Courses Requirements

A. Students Taking On-line Courses are required to:

1. Have a personal computer (desktop or laptop)
2. Have Microsoft Office 2003 or later version (earlier versions may not be compatible)
3. Have Internet Explorer or Firefox browsers, Adobe Flash Player and a working email account
4. Complete the Edvance360 on-line tutorial
5. Have a working knowledge of Microsoft Office applications (Word, Excel, PowerPoint)
6. Have a understanding of how to download, attach and upload files
7. Read, comprehend and work independently with written material
8. Complete a test demonstrating knowledge and proficiency of these skills

B. Students Who Drop Out of On-line Courses

Those who drop out of on-line courses with failing grades and/or fail on-line courses in any semester are not permitted to register for future on-line courses without permission from the Academic Dean.

STUDENT LIFE

HBC considers student life a vital part of the educational process and seeks to provide opportunities for students to apply Christian principles and democratic ideals learned in the classroom to life situations. Students are encouraged to form organizations that support Christian lifestyle, social development, career objectives, and educational opportunities with the approval of the faculty, the Chief Student Personnel Officer, and the Academic Dean.

New Student Orientation

A sixteen (16) week one (1) hour orientation course is conducted at the beginning of each semester to acquaint new students with the campus which include the HBC library (Learning Resource Center), fellow students, faculty and staff. The students are informed of the policies and procedures of the College and administrative details to help them thrive in a college environment. The orientation course is required for all new students (including students transferring with less than 33 credit hours) during their first semester at HBC.

Student Government Association (SGA)

The Student Government Association (SGA) is a student organization led by students. The SGA has its own constitution and bylaws that are approved by the student body and governed by an elected executive committee composed of a president, vice president, secretary, treasurer, chaplain, and two members at large. Its purpose is to sponsor student activities, generate school spirit, and present student views on school matters to the faculty and administration.

Social Activities

While HBC is not a resident campus and all students commute to class each day, social fellowships among students, faculty, and staff are encouraged. Various social events include Spring outdoor barbeques, graduation receptions, the Annual Golf Tournament, and College community events.

Spiritual Development

Campus Worship services are held each semester. These services offer students, faculty, and staff opportunities to join together in a time of worship and celebration. Campus Worship allows students to participate in planning and implementing the worship services.

HBC encourages all classes to begin and end with prayer or a brief period of meditation.

Physically Challenged Students

The HBC campus adapts to students with mobility impairments. Modifications or adjustments will be made when necessary for otherwise qualified students, including but not limited to the following:

- Alternate methods of testing and evaluation
- Change of physical accommodations

Academic Advising

Academic advisors have been assigned to various programs. Advisors will assist students with course selection and course requirements. Students must have all courses approved by their advisor before registration can be completed. Students also receive counseling from faculty members who serve as part of the advisory team.

Counseling Program

HBC's counseling program is organized to support the mission, goals, and objectives of the College. The program embraces the academic assumption that student outcomes are affected by

the problems they encounter with regard to the teaching-learning process. The counseling program exists to assist students with academic matters and personal problems that may obstruct their ability to achieve.

Library (Learning Resource Center)

The goal of the HBC Library (Learning Resource Center) is to support the mission of the College. The library provides resource materials of interest to the students, faculty, staff, and the religious community. Books, periodicals, and other resources such as pamphlets, booklets, maps, records, tapes, and DVDs are available in the library. The College ensures that students enrolled in distance learning courses (on-line) have access to adequate and appropriate learning resources and have access to the materials in the on-line digital catalog. The HBC library also provides off-campus access to a variety of electronic resources such as e-book collections, current issues databases, and general and specialized subject databases which are readily available through the Alabama Virtual Library (<http://www.avl.lib.al.us>). All students on-line and traditional may access the resources through the College website and link to the Annie Benson Library.

Student Conduct

HBC expects the conduct of students it accepts and those seeking an education in a Christian environment to be in line with the mission, beliefs, and goals of the College. To assure each person has an opportunity to a productive learning environment, guidelines for conduct and behavior have been established and are described in the policies and procedures section of the Student Handbook.

UNDERGRADUATE EDUCATIONAL PROGRAMS

This section contains information about the educational programs offered for undergraduate students. HBC offers a certificate program, five associate degree programs, and five baccalaureate degree programs. The programs of study include courses in biblical/theological and general education studies and are required of all students pursuing undergraduate programs of study.

THE CERTIFICATE OF BIBLICAL STUDIES

The certificate program teaches the fundamentals of the Bible and church related information to assist local churches with ministry. It offers students a wealth of Bible knowledge to enhance one's spiritual transformation. The program requires 34 credit hours of course work for completion and provides a Bible-based education for students who may not wish to pursue a college degree.

Objectives

1. Students who complete this program will be equipped and able to:
2. Demonstrate a basic knowledge of the Bible.
3. Exhibit a fundamental understanding of Christian doctrine.
4. Demonstrate knowledge of church history and current administrative principles and practices.
5. Exhibit a biblical worldview.
6. Demonstrate proper use of the basic tools of written communication and computer technology.
