Covid-19 Policies and Protocols
Fall Term 2021 (as of August 9, 2021)

Given the rise of new variants and steadily increasing rates of Covid-19 infections, especially among unvaccinated persons, effective immediately (unless otherwise noted), HBC will enforce the following health protocols to promote a safer and healthier learning and work environment.

1. All persons (Students, Faculty, Staff, and Guests) who are sick should remain home.
2. Proof of Covid-19 vaccination is REQUIRED for students enrolled in on-campus courses for the Fall Semester beginning **August 9, 2021**.
3. For the Fall term, HBC students who have NOT been fully vaccinated will only be allowed to take online or Zoom classes.
4. **Masks are REQUIRED for all individuals entering the facilities and indoors, this includes vaccinated and non-vaccinated.**
5. Each person entering the facility must sanitize their hands each time they enter the building.
6. **Masks are not required in offices and private workspaces and in classes or groups that maintain social distances.**
7. HBC Faculty and On-Campus Staff members must be fully vaccinated unless there are documented health reasons for not receiving the vaccine.
8. Each classroom will be sanitized after each class and configured for social distancing
9. **Students who are fully vaccinated may use on-campus computers, access the Student Lounge and use Classroom 204 for study.**
10. Restrooms will be sanitized daily.
11. At the end of each class period, Students will exit directly from the classrooms and other areas of the building through the closest exit unless they have another scheduled class or plan to use the Library or Study Area
12. **Students who are NOT fully vaccinated may only use the Library for checking out books and must be fully masked throughout their entire Library visit.**
