

2022-2023 Unusual Enrollment History Verification

Your 2022-2023 Free Application for Federal Student Aid (FAFSA) has been flagged for "Unusual Enrollment History Review" by the U. S. Department of Education because you received Federal Pell Grant and/or Federal Student Loan funds at multiple education institutions during the review period of 2018-19, 2019-20, 2020-21, and 2021-22. This flag requires our office to review your enrollment history and determine if you are enrolling for a legitimate educational purpose. In the process of reviewing your enrollment history, our office will check the National Student Loan Data System (NSLDS) to obtain a complete history including the name of institutions you have attended and the dates of attendance. Note: An electronic signature will not be acceptable for this form.
