2025-2026 Independent Verification Worksheet Federal Student Aid Programs

Your 2025–2026 Free Application for Federal Student Aid (FAFSA) was selected by the Department of Education for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must submit the completed form and other required documents to the Office of Student Financial Services. Please include your name and student ID number on all documents. The office may ask for additional information if necessary. If you have questions about verification, contact the Office of Student Financial Aid as soon as possible so that your financial aid will not be delayed.
