Student Financial Aid at Huntsville Bible College recognizes the formula used to calculate your Student Aid Index (SAI) may not accurately reflect special circumstances for individual students and/or families.

If you have extenuating and/or unusual circumstances (see list on page 2) that affect the income or data reported on your 2025-2026 FAFSA, please submit this Special Circumstances form and include the required documentation of your special circumstance as listed. A review of your situation does not guarantee an adjustment in your financial aid eligibility. Failure to submit appropriate documents in a timely manner will delay the processing of your federal financial aid. Include the last 4 digits of your SSN and DOB on all documents. Allow 5 - 7 business days to process this request. Processing time may be substantially longer than usual during peak processing times.

The documentation listed on page 2 must be submitted with each request. You must submit ALL documentation listed for the specific circumstance you are requesting. Additional documentation not listed may also be required.

Step 1: Certification

To the best of my knowledge, the information in this request is true. I understand that misrepresentation of facts in connection with this request may result in the cancellation and repayment of federal financial aid.
