A MESSAGE FROM THE PRESIDENT

WELCOME TO HUNTSVILLE BIBLE COLLEGE!

At Huntsville Bible College, we provide more than just classes; we offer a divine calling. Whether your passion lies in the pulpit, the classroom, the counseling room, or the boardroom, HBC fosters an environment where your talents can flourish and your purpose can be honed through a Christ-centered education. Established in 1986, Huntsville Bible College has unwaveringly dedicated itself to equipping men and women to lead and serve both the church and the community. Our mission of offering biblically grounded education, facilitating spiritual growth, and maintaining academic excellence consistently shapes everything we undertake. At this crucial moment, both in higher education and within the church, there is an urgent need for Christ-centered leaders capable of tackling today's intricate social and spiritual issues. HBC is dedicated to preparing servant-leaders who boldly proclaim truth and serve with compassion.

As you read through this catalog, I hope you'll see more than just requirements and course listings. I hope you see it as an invitation to grow, serve, and become. This catalog reflects the heart of our mission. You'll find information on how to apply, details on our financial support, and insights into how our academic programs are designed to meet both traditional and non-traditional students where they are.

Whether you're a recent high school graduate, a working adult returning to school, a bi-vocational pastor seeking deeper training, or someone simply eager to know and serve God more faithfully, there's a place for you at HBC.

Thank you for considering joining our community of faith and learning. We are honored to walk with you as you pursue excellence in service to Christ, His church, and His community.

Dr. Lyle Lee

President

Huntsville Bible College

GENERAL INFORMATION

OUR MISSION

To prepare and equip disciples who are called to lead and serve in ministries in the church and community.

HBC's mission is obtained as we seek to foster spiritual growth and development and provide educational opportunities for:

1. Life/careers in job-related fields;
2. Church leadership in Pastoral Ministry;
3. Service for Christian ministers, mission and evangelism workers, and other ministries and organizations; and
4. Leadership for Christian education teachers, youth workers, and church leaders for local congregations.

STATEMENT OF FAITH

HBC is committed to training disciples for Christ for the glory of God and the betterment of humankind. In support of our commitment, we strongly and sincerely believe:

- There is only one God and the Trinity of the Godhead is the Father, Son, and the Holy Spirit.
- The Scriptures of the Old and New Testaments are the Word of God and the only rule of faith and practice.
- Man is born with a sinful nature and is inclined to be evil by choice and cannot save himself.
- God so loved the world that He gave His only Begotten Son, that whosoever shall confess with the mouth the Lord Jesus, and shall believe in thine heart that God hath raised Him from the dead, shall be saved.
- Believers are to be guided by the Holy Spirit through faith in the Lord Jesus Christ.
- Faith is the gift of God, and good works are the fruit of faith.
- Those born again are justified in the sight of God alone by the righteousness of Jesus Christ imputed to them by faith.
- God's plan is that marriage be between a man and woman.
- God's plan for the present day disciple is to go and make disciples of all nations through the witness of every believer and to teach them to obey His commandments.

INSTITUTIONAL PROFILE

Huntsville Bible College (HBC) is a postsecondary biblical institution that believes it is important to balance the responsibilities of family, church, and work to meet the needs of each individual in a personal way. HBC, formerly Huntsville Baptist Institute, was established in 1986 as a 501(c)(3) institution of higher education to prepare individuals to become preachers and church leaders by assisting local churches to carry out their mission. To meet the future needs of the students and the community, HBC has expanded its program offerings to various fields of study.

HBC is a non-traditional institution that offers evening classes for the adult learner on campus and on-line in a small setting. The College is licensed by the Alabama Community College System, Private School Licensure Division, P. O. Box 302130, Montgomery, AL 36130 as a Private Institution and is accredited by the Association for Biblical Higher Education, 5850 T.G. Lee Blvd., Suite 130, Orlando, Florida, 32822 to award certificates, Associate of Arts, Bachelor of Arts, Master of Ministry and Doctor of Ministry degrees.

HBC has a diverse student and faculty population by gender, ethnicity, and Christian Denomination. The College is nestled quietly in the center of Huntsville approximately two miles north of the Madison County Courthouse on Oakwood Avenue across from the Huntsville Emergency Medical Services, Inc. (HEMSI).

EDUCATIONAL PHILOSOPHY

The Gospel of Matthew in the Contemporary English Bible closes with these words from Jesus to his disciples: “Go to the people of all nations and make them disciples. Baptize them in the name of the Father, the Son, and the Holy Spirit, and teach them to do everything I have told you. I will be with you always, even until the end of the world.” From this biblical backdrop, HBC is committed to training disciples for Christ.

The founders of the College (The Mallard Creek Primitive Baptist Association) believed that an effective church required biblically educated leadership for equipping the saints for Christian ministry. To this end, they established a school for the teaching of the Bible. Today, the Board of Directors, the President, administrative staff, and faculty continue to build the College on this fundamental principle. We believe that a Bible college is a calling of God to be an instrument for His glory. We are convinced that a Bible college should embrace the demand Jesus places upon believers to make disciples of humankind.

We believe that those who teach in a Bible college should have experienced a process of spiritual transformation and accept the teaching position as a Christian ministry rather than an employed position.

We believe that the students of a Bible college should be committed Christians seeking a higher level of biblical/theological understanding for the purpose of fulfilling a call to serve the most high God. We believe that this can be achieved through attendance and study in class (and on-line) and the student’s active participation in the Ministry Formation Program (Practical Christian Service). This program helps the student apply biblical principles and textbook/classroom knowledge to the real world of ministry. These basic principles provide the foundation for the existence and future development of HBC.

INSTITUTIONAL GOALS

HBC exists for the purpose of educating Christian men and women to live according to biblical principles consistent with the will of God and to become effective communicators of the Gospel of Jesus Christ for the saving of the lost and the healing of the hurting. To assist in accomplishing its mission, the College has established the following institutional goals:

- To provide a comprehensive educational system that includes the teaching of biblical and theological studies, general education that contributes to life-long learning, and professional studies related to Christian ministry.
- To provide an educational environment conducive to an effective teaching-learning process.
- To foster an educational climate that encourages students to think critically and discuss freely their ideas, beliefs, and opinions with regard to matters of their education.
- To provide adequate educational resources through the HBC library (Learning Resource Center) that will enable students to achieve their educational goals.
- To encourage academic freedom on the part of instructors consistent with the policies established by the College Board of Directors.
- To provide educational opportunities for the Christian community through special courses, seminars, and workshops.
- To deliver educational services from a biblical perspective to its students and the community with a high degree of integrity appropriate to institutions of higher education.
- To provide educational programs to meet the general and specific needs of those whom it seeks to serve.

STUDENT LEARNING OBJECTIVES

In conjunction with its mission and institutional goals, the educational programs provided by the college are designed to enable its students to:

1. Communicate effectively in oral and written forms and comprehend complex ideas through reading and listening.
2. Develop spiritual transformation exhibited through Christian character and commitment to the work of Christ to the glory of God.
3. Develop skills for preparing and delivering life-changing messages to contemporary audiences.
4. Develop leadership skills in pastoral ministry, Bible teaching, and in other ministries of local churches.
5. Acquire knowledge and develop an understanding necessary for engaging in Christian missions and evangelism through participation in the Ministry Formation Program while attending HBC.
6. Apply techniques of critical, logical, and analytical thinking to life's issues.
7. Develop a historical perspective of Christianity and the early church; acquire knowledge of the arts, literature, and human behavior, and how they impact the Christian faith.
8. Develop comprehensive knowledge and understanding of the Bible and theology, and discover ways of applying them to life.
9. Use the tools of research to discover new information and to solve human problems.
10. Demonstrate knowledge and understanding of curriculum development and teaching techniques.
11. Develop social skills that exhibit love and respect for others irrespective of religious and cultural differences.
12. Acquire knowledge and develop understanding of the social and natural sciences.

ACCREDITATION STATUS

HBC is nationally accredited at the undergraduate level (2007), graduate level (2013), with the Commission on Accreditation of the Association for Biblical Higher Education (ABHE), the oldest Bible college accrediting agency specializing in biblical ministry formation and professional leadership education. ABHE is officially recognized by the Council for Higher Education Accreditation (CHEA). It is also one of the eight regional associations that make up the International Council for Evangelical Theological Education (ICETE), representing North America.

ABHE provides the best option for maintaining high academic standards while sharing the Christian faith. Accreditation standards on Institutional Integrity with ABHE require institutions to be open and honest about its compliance regarding accrediting, licensing, and governing bodies.

In 2012, a visiting ABHE team of administrators and professors from across the nation sanctioned HBC's self-study and ABHE reaffirmed and acknowledged the satisfactory accreditation standing of the Institution until 2032 with all the rights, privileges, and honors that pertain to it. This is the longest possible re-accreditation term that ABHE confers.

POLICIES AND PROCEDURES

ADMISSIONS PROCEDURES

To apply for admission to Huntsville Bible College, the applicant should apply online at www.hbcl.edu and complete the online application form. As a part of the admission process, applicants are required to take an online Bible Knowledge Assessment. The Office of Admissions will contact applicants concerning the administration of this assessment.

- Bible Knowledge Assessment

Transfer Students

HBC accepts students from other colleges and universities with similar admission requirements and academic credits.

The transferring student:

- Is accepted on a conditional basis until transcripts and all other required documents are received. If transcripts and documents are not received by the end of the add/drop period, the student will be removed from the course roster.
- Must complete at least 36 hours at HBC to earn a bachelor's degree and 24 hours to earn an associate's degree.

To be admitted with transfer credits, the student must:

1. Be in good standing (no previous expulsions) with the school last attended.
2. Have official transcript(s) from all schools previously attended sent to HBC.
3. Have no more than 2 semesters of prior college experience in order for Satisfactory Academic Progress (SAP) to not be considered.
4. Have a SAP percentage of 67 percent or higher for 4 or more semesters of prior college experience to receive financial aid. Those who are 50 percent or higher may qualify for a waiver based on professional judgement or extenuating circumstances; otherwise, they may be admitted as a special student and not receive financial aid their first semester.

To receive credits from other colleges, universities or military training, the student must request official transcripts from each college, university, and/or military branch previously attended be sent to HBC for a proper evaluation before transfer credits can be accepted. Official transcripts from these institutions must be sent directly to the Office of Admissions.

Admissions of Applicants from Non-Accredited Colleges

Applicants with degrees from non-accredited colleges will be reviewed and accepted based on the following standards:

- A. An acceptable score on the ABHE Bible Knowledge Test
 - a. 62 or better for acceptance into the Doctor of Ministry Program
 - b. 42 or better for acceptance into the Master of Ministry Program
- B. Official transcript
- C. A 300-word paper stating your personal Christian Faith
- D. A recommendation by the HBC Interview Team (two faculty and one staff person)

If the applicant passes all three areas, they will be admitted as a regular student and all current policies will apply.

Special Students

Students in this category are those persons who do not wish to pursue a Bible college program but have the desire to take a course(s) to satisfy their interest or need. Those who meet the general requirements for the certificate program are admitted and may receive college credits for courses completed. Those who do not meet the general requirements for the certificate program may be allowed to audit courses, depending upon course requirements and the level of the course.

REGISTRATION POLICIES

New Student Registration

Registration will close one week before classes begin each semester. All new students will need to make sure all documentation is submitted one week prior to the start of the semester.

Late Registration

Late registration is only allowed for returning students during the first week of the semester. Therefore, the initial financial aid refund disbursement will be delayed one week.

Consortium Agreement

Huntsville Bible College has a consortium agreement with Calhoun Community College to help our students take courses that may not be offered in a specific semester when they are needed to complete their academic program in a timely manner. Under the consortium agreement HBC students who receive federal financial aid are able to receive it to pay for classes taken at Calhoun. Both Huntsville Bible College and Calhoun Community College are members of the Alabama Community College System.

Articulation Agreement

Huntsville Bible College has an articulation agreement with the National Primitive Baptist Convention USA that provides for the transfer of National Primitive Baptist Convention students' credits to the Associate of Arts, Bachelor of Arts, and Master Degree programs at Huntsville Bible College from the Evangelical Training Association (ETA). Transferring students requesting ETA credit transfers must include a copy of their ETA Transcripts as part of their application package.

Directed Study Courses

A directed study course is designed to be a substitute for a traditional course that is not offered in the semester for which a student wishes to enroll in. The material covered in such courses is essentially the same as that covered in a traditional course. A directed study course must be previously approved by the appropriate Dean and the President of the College.

Prior Learning Assessment Plan (PLAP)

Huntsville Bible College recognizes that many persons seeking admission may have experience through life and work consistent with some particular course objectives and such experiences should be considered with respect to the student's educational goals. In recognition of this reality, HBC has initiated a program for granting college credit for life experiences and work that can be validated by a prior learning assessment portfolio. Please contact the Admissions office for more information.

“Go therefore and make disciples of all the nations... teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age.”

Matthew 28:19-20 (NKJV)

DUAL ENROLLMENT POLICY

High School Students

High school dual enrollment is a program that allows eligible high school students to enroll in college classes with college students while still in high school to receive both high school and college credit.

Initial Eligibility

- Completed ninth grade (in tenth grade)
- Minimum 2.5 unweighted HS grade point average
- Written approval of the high school principal, counselor, or designee
- Written approval of a parent or guardian
- Must meet all applicable prerequisites for any coursework
- Complete HBC admissions process

Continued Eligibility

Students in the Dual Enrollment Program will maintain continuous eligibility if they earn a grade of C or better in all attempted college courses. Students with a D, F, or W in any course at HBC will be suspended from the Dual Enrollment program.

Undergraduates

This policy provides students who are in their senior year of an undergraduate program the opportunity for dual enrollment in Huntsville Bible College's graduate program.

Students who qualify for Dual Enrollment are required to meet with the Dean of Graduate Studies during the semester prior to their dual enrollment taking place to ensure that all prerequisites have been met so that they can transition into their graduate studies when the new semester begins.

For a student to have dual enrollment status, the following conditions must be met:

1. The student is in the final year of their undergraduate degree program; with less than 12 hours to complete before graduation.
2. The student has met with their advisor and received permission to apply for graduation. [All requirements for completing their current undergraduate academic program will be satisfied prior to graduation date].
3. The student has a GPA of 3.0 or above.
4. The student has met with the Dean of Graduate Studies and received their approval to register for graduate courses.

Notes:

1. A separate application is required to be admitted into the graduate degree program.
2. Graduate courses taken count for graduate credit only.
3. Even during dual enrollment, graduate courses taken count toward the graduate GPA.

- **Transcript Fee:** Charges to students for the cost of preparing and mailing transcripts after the first copy. The first copy is FREE.
- **Technology Fee:** Charges to all students to enhance instructional technology services and infrastructure for students.

PAYMENT

Payment of tuition and other fees are due at the time of registration or by the first day of class. Payments can be made through financial aid, cash, checks, credit cards, and payment plans. Those on payment plans must make 1/3 down at registration with the remaining balance divided into monthly payments and paid through the end of the semester. Students who have not paid tuition and other fees will not have access to grades, awards, or transcripts until the fees are paid in full. Students with an unpaid balance may not be able to register the next semester.

50/50 Plan (Undergraduates)

Students attending Huntsville Bible College for the first time who do not receive financial aid may receive a 50% discount for their first year if they take at least 6 credit hours per semester. Students with qualifying GPAs may also request an additional one-year extension. Under the 50/50 Plan for fall and spring semesters, a student will pay \$130 per month for five months. The first payment must be received before registration can be completed. Monthly payments are computed using 50% of the costs divided by 5.

25/75 Plan (Master of Ministry)

Students taking 9 hours or more are eligible for 25% off tuition. Under this plan, a student taking 9 hours is estimated to pay \$405.00 per month for five months. The first payment must be received before registration can be completed.

Cohort Plan (Doctor of Ministry)

Students taking 6 hours will pay \$421.00 per month for five months, registration and library fees are included. The first payment must be received before registration can be completed.

Refund Policy

It is anticipated that because of certain conditions, a student may find it necessary to withdraw from the College or to withdraw from a particular course before the end of the semester in which he/she has enrolled. When this occurs, HBC will refund tuition according to the schedule below.

The official date of withdrawal will be the date the Admissions Officer receives notification (in writing) from the student.

Before Classes Begin	100%
During the First Two Weeks (drop/add period)	100%
After the Second Week	No Refund

Veterans' Aid

Financial assistance may be available to veterans of the armed services or their family members. Questions concerning eligibility should be directed to the Financial Aid Office. Once eligibility has been established, it is the student's responsibility to notify the Financial Aid Officer. Huntsville Bible College is approved by the Alabama State Approving Agency (SAA) to offer VA Educational Benefits (GI Bill®) to eligible individuals enrolled in approved programs. ***GI Bill*** is a registered trademark of the U.S. Department of Veterans Affairs (VA). HBC adheres to and complies with **The Veterans Benefits and Transition Act of 2018**, (PL115-407), that ensures that the educational institution will not impose any penalty, assessment of late fees, the denial of access to classes, libraries, or other institutional facilities, or the requirement that a covered individual borrow additional funds, on any covered individual because of the individual's inability to meet his or her financial obligations to the institution due to delayed disbursement of a payment under chapter 31 or 33. For students receiving VA education benefits, any complaints against the school should be routed through the VA GI Bill Feedback System by going to the following link: <http://www.benefits.va.gov.GIBILL/Feedback.asp>. The VA will then follow up through the appropriate channels to investigate the complaint and resolve it satisfactorily.

Scholarships

HBC provides limited scholarships for students who may not be able to pay the full tuition but exhibit the ability to complete a college program. To qualify, an applicant must complete the scholarship application and obtain a completed recommendation form. Students receiving scholarships must meet all requirements of that scholarship. Students requesting a scholarship should contact the Financial Aid Office.

Federal Financial Aid

HBC participates in the Federal Pell Grant and Federal Direct Student Loan programs. Pell Grants are usually awarded to undergraduate students and Direct Student Loans are available for both undergraduate and graduate students with financial needs. The Financial Aid Officer will gladly assist students with the necessary information to apply.

Financial Aid Distribution of Refunds

All new students and students on academic probation due to unsatisfactory class performance will receive refunds in the following increments:

- 75% during the fifth week of class
- The remaining 25% in 30 days after the initial disbursement

Note: New students and students who are on SAP will not receive refunds in increments during summer sessions due to the length of the term. All other students will receive 100% of their refund distribution during the fifth week of class.

- New students must be in attendance on at least half-time status for two consecutive semesters before the new student status can be removed
- SAP students will continue on this status until the deficiency is removed
- Graduate and post graduate students are exempt from this policy

* Refund distributions may change based on current Department of Education guidelines.

Financial Aid Attendance Policy

Attendance in class is critical to securing and maintaining financial aid.

- If a student does not attend any classes prior to the add/drop period without a viable excuse, financial aid will be revoked for that semester.
- If a student misses more than 50% of his/her classes during a semester, financial aid for the next semester may not be granted. A student may appeal for extenuating circumstances.

Emergency Financial Aid Advance Policy

Students who are facing a financial emergency may request a Financial Aid Advance on any expected grant or loan payouts. In other words, if a student has Grant or Loan money forthcoming, and will have a credit balance after all tuition, fees, and books have been paid, the college may provide an emergency financial advance on that balance to be used for unexpected expenses. Financial aid advances may not be given until after the end of the drop and add period.

Emergency Financial Aid Advances can take a variety of forms, including tuition waivers or financial aid advances. These measures are designed to help students avoid an interruption in their college studies due to an unforeseen emergency. The most common situations that may lead to a student's eligibility for emergency financial aid include:

- a sudden health emergency
- unexpected loss of income
- death in the family, or other family emergency
- rent in arrears and risk of eviction
- natural disaster

Academic Criteria

Emergency aid is only available in extreme circumstances, and students will be expected to meet certain academic criteria in order to qualify. Typically, applicants must be Full-time students, with an acceptable minimum GPA. Half-time students may be permitted in certain circumstances, however, less than half-time students will not be considered for financial aid advances. Students applying for emergency aid will also be required to provide adequate documentation of the crisis leading to their need for emergency funds. Students considering an emergency financial aid advance should understand that these programs offer limited help. The emergency advances are limited to \$700 - \$1200. Financial Aid Advances are limited to no more than two per semester. This is only a stop-gap measure in a crisis and not a secondary form of college funding. Those who wish to apply for these funds must complete a Financial Aid Advance Emergency Request Form and submit it to the Financial Aid Office. Students approved for Financial Aid Advances must also understand that the funds acquired will be deducted from their Financial Aid refund. Advance Requests will be reviewed and or approved within 24-48 hours.

ACADEMIC POLICIES

ACADEMIC YEAR AND SEMESTER HOURS

An academic year at HBC consists of three semesters: fall, spring, and summer. Fall and spring semesters consist of 16 weeks and the summer semester is 8 weeks. One semester hour is equal to fifty minutes of instruction per week. Most classes consist of three semester hours.

CLASS STANDING

Class standing denotes the level of a student's achievement toward the completion of a standard four-year curriculum. Thus, students are classified according to the number of semester hours successfully completed according to the table below:

CLASS STANDING	SEMESTER HOURS SUCCESSFULLY COMPLETED
Freshman	0-33 Hours
Sophomore	34-63 Hours
Junior	64-95 Hours
Senior	96 Hours & Above

DEGREE COMPLETION TIMEFRAME

If a student does not complete an associate degree within four years or a bachelor degree within eight years they will be governed by degree programs in the most recent school catalog.

GRADES AND QUALITY POINTS

All students are encouraged to achieve to the maximum of their potential. Student achievement is reported as grades earned in a course of study. Instructors post grades from assignments, quizzes, mid-terms, finals, etc. into CampusSIS. Grades are accessible to students in CampusSIS. However, students who have outstanding balances at the end of a semester will not have access to grades until all balances are cleared.

Grades and quality points are earned and recorded according to the following scale:

Letter Grade	Score-Grades	Quality Points
A	90-100	4
B	80-89	3
C	70-79	2
D	60-69	1
F	59-Below	0
I	Incomplete	
W	Withdrawal	

Note: Parents/guardians of dependent students have the right to receive a copy of their child's grades. Access to grades can be granted through OASIS.

HONORS PROGRAMS

The Huntsville Bible College Honors Programs are designed to recognize HBC students who have demonstrated a commitment to academic excellence resulting in high marks.

Dean's List

The Dean's List for Academic Excellence recognizes students who achieve scholastic distinction in a semester, as evidenced by a high grade point average. Students should be enrolled in at least 9 credit hours in a Fall or Spring semester, excluding courses resulting in a grade of "CR".

The Dean's List recognizes students each semester who meet the following criteria:

- Undergraduate Programs
 - Successful completion of at least 9 credit hours
 - No grade of "D", "F", or "NC" for that semester
 - No active "INC" for that semester
 - 3.00 GPA or higher
- Masters and Doctorate Programs
 - Successful completion of at least 6 credit hours,
 - No "D", "F", or "NC" for that semester
 - No active "INC" for that semester
 - 3.50 GPA or higher

President's List

The **President's List for Academic Excellence** annually recognizes outstanding graduating students who remain on the Dean's List for Academic Excellence throughout their academic journey at Huntsville Bible College. Honorees are recognized during the HBC annual Graduation ceremonies. Students on the President's List graduate "with honors" and are entitled to wear a Golden Cord at graduation. Therefore, no additional decorations at graduation should include gold.

INCOMPLETES (INC)

An "INC" is a temporary grade assigned to a student who has extenuating circumstances during the last weeks of a semester and is unable to satisfactorily complete his/her work in the required time limits of the course. The student will then work with the instructor to complete the assignments within the next regular semester. It is the student's responsibility to initiate contact with the instructor and to complete all assignments in a timely manner. If the student does not complete the course work during the next semester, a grade of "F" will be entered on the student's transcript. An "Incomplete" is not granted to allow a student more time to complete a course if the student has mismanaged his/her time.

WITHDRAWAL (W)

A "W" is a grade assigned when a student has withdrawn from a class after the drop/add period and up through the first ten weeks. A withdrawal after the first ten weeks is limited to

extenuating circumstances approved by the Academic Dean. Avoidance of a poor grade is not justification for withdrawal.

Administrative Withdrawal Policy

It is the obligation of the administration to withdraw a student from a class or classes for one of the following reasons:

1. **Attendance:** Any student who has never attended a class by the end of the drop/add period may be administratively withdrawn, unless the student provides documentation of extenuating circumstances, excusing their absences.
2. **Payment:** The Administration will withdraw a student from a class/classes if:
 - a. Full payment of tuition and fees are not paid at the time of registration or by the first day of class; **or**
 - b. One-third of tuition, fees, and a signed payment plan are not in place; **or**
 - c. The student is not eligible for financial aid; **or**
 - d. There is no other official written agreement with the College.
3. **Documentation:** HBC must receive all of the student's transcripts from all colleges and universities attended along with all financial aid documentation within two weeks of the beginning of the semester. If required documentation is not received and/or sufficient, the student will be subject to administrative withdrawal.
4. **Return of Financial Aid Funds:** When a student withdraws from all classes prior to completing 60% of the semester, the return of financial aid funds will be initiated.

Procedure for Administrative Withdrawal

Students facing the prospect of administrative withdrawal will be notified by the appropriate Dean of the action about to be taken by the college administration. The student will have five business days to reply. At this time, the student has the opportunity to meet with their Dean, the Admissions Officer, and Financial Aid Director to review his/her situation. Once the student has been officially withdrawn, the Financial Aid office will be notified, and the appropriate financial aid action will be taken. After the administrative withdrawal has been exercised, the student will be informed of such action.

Being administratively withdrawn from a course may reduce the amount of financial aid a student receives, delay graduation, or necessitate repayment of aid already received, and does not relieve a student of their obligation to pay tuition and fees to the college.

DROP/ADD PERIOD

The drop/add period is the first two weeks of class during the spring and fall semesters and the first week of class during the summer semester. During this period, a student may drop or add a course without penalty. No grade will be assigned if a course is dropped during this period, and the student is removed from the course roster.

The attendance record for a student will carry from one course to another so that the student will not be penalized in their attendance during the drop/add period. For example, if a student has attended a class for two weeks and decides to drop it and add another course then that course will not count against the student as having missed two classes since the student was in attendance in the class that was dropped.

A student may be purged from a class roster if the student:

- Fails to attend class or fails to log-in to an online class or pick-up books during a semester's drop/add period, and
- Fails to communicate his/her intentions regarding attendance during a semester's drop/add period.

SATISFACTORY ACADEMIC PROGRESS (SAP)

All students are expected to maintain satisfactory academic progress toward completion of a certificate or a degree within a reasonable period of time. Satisfactory academic progress status will be determined at the end of each semester. The measure of satisfactory academic progress is based on the number of hours the student attempts at HBC (including transfer credits) and the grade point average (GPA) as indicated below. Students not meeting the desired GPA are placed on SAP status and are required to enroll in and complete the OR 102 Career Prospective course.

CREDIT HOURS ATTEMPTED	MINIMUM CUMULATIVE GPA REQUIRED
0-18	1.50
19-45	1.75
46+	2.0
Graduate & Post Graduate Student	3.0

In order to maintain satisfactory academic progress toward completion of a certificate or degree, the student must successfully complete a minimum of 67 percent of all credit hours attempted at HBC. Hours attempted also include withdrawals and incomplete courses. This assessment begins after a student has attempted a total of 18 credit hours.

Students who do not maintain satisfactory academic progress may volunteer for the Financial Aid High Risk Program as a means of correcting their status so they can remain in school and complete their program of study.

Repeating a Course

A student may be allowed to repeat a course for which he/she has received a failing grade. If the student passes the repeated course, only that grade will be used for GPA calculations. A student will be allowed to repeat the same course up to three times. The course repeated will be considered as hours attempted and the credit hours will be considered when determining a student's satisfactory academic progress. A student cannot receive financial aid for repeating a course in which he/she has received a passing grade.

Academic Probation

When a student's cumulative semester GPA falls below the required cumulative GPA for credit hours attempted, the student will be placed on academic probation for the next semester. The student's GPA for the following semester must be the required cumulative GPA or better for credit hours attempted. If not, the student will be suspended from the College but may be

allowed to return after one semester. When a student returns after a period of probationary suspension, he or she must achieve the required cumulative GPA for credit hours attempted by the end of the semester in order to remain in school.

Transfer students may be accepted on academic probation and restricted to six (6) hours for the first semester if their previous academic history is unsatisfactory. They will also have one semester to raise their semester GPA to the required cumulative GPA or better for credit hours attempted. If a student fails to do this, he/she may be suspended but may return after one semester with the approval of the Academic Dean for readmission to the program.

ACADEMIC ADVISING

Academic advisors have been assigned to each undergraduate . Advisors will assist students with course selection and course requirements. During registration, all students must have their courses approved by their advisor before they are allowed to attend class. This gives the advisor an opportunity to discuss course matters with each student.

Course Loads

The normal course load for a full-time undergraduate student is twelve (12) credit hours per semester. A student may take fifteen (15) or more hours with the approval of the Academic Dean. A normal course load for a full-time graduate student is nine (9) credit hours and six (6) credit hours for a full-time postgraduate student.

Course Schedules

Most of the courses at HBC are three credit hour courses that meet once per week for 2.5 hours for sixteen (16) weeks (per semester). During the summer semester, most classes meet two times per week for eight(8) weeks.

Withdrawal from College

Any student who wishes to withdraw from HBC must get approval from their Dean, Student Advisor, and Financial Aid Officer. Classes missed by students who dropout without approval will be treated as absences and a grade of “F” will be assigned for each course in which the student was enrolled in before an unofficial withdrawal.

DISTANCE EDUCATION COURSES

Distance Education Classes are provided via Google Classroom in two modes at HBC - asynchronous (“on your own time”) or synchronous (“live” via Google Meet).

All Distance Education Classes

- Students taking any distance education course must have:
 - a personal computer (desktop or laptop),
 - Tablets and mobile phones are not adequate for online coursework.
 - See additional requirements for synchronous courses below.
 - a high speed Broadband Internet Connection in their home,
 - HBC email and Google Classroom accounts,
 - a working knowledge of their word-processing application,

- an understanding of how to download, attach, and upload files, and
- the required software for any computer (IT) classes.
- According to ABHE, we must require:
 - major exams (generally midterm and final exams) are proctored.
 - the responsible party be pre-approved by the professor.
 - the proctor verify the identity of the student and certify in writing that the examination was taken under the conditions required by the professor.
- Proctors are available on campus for students who wish to take exams on campus. For synchronous (Google Meet) classes, this will be done during the usual class meeting time.
- Distance Education admissions and retention policies are the same as for on-campus classes.
- The Satisfactory Academic Progress (SAP) rate of 67% will apply as with all students.
- Local students (those who have also taken on-campus classes) with a history of struggling with Distance Education classes (2 or more D/F/Ws) will be advised to take on-campus classes.

Asynchronous Classes

- Asynchronous classes have special attendance policies detailed in each class syllabus.
- Regular login and participation in asynchronous classes are necessary for successful completion of the class. (These are on-your-own-time, but not at-your-own-pace, as students are expected to keep pace with the class throughout the semester.)

Synchronous Classes

- In addition to the standard equipment requirements noted above, students enrolled in synchronous distance education courses must have speakers, a microphone, and webcam built into or attached to their computers.
- All virtual class meetings are hosted using an HBC Google Meet account. Faculty may not use personal accounts for virtual classes.
- Students should arrive on time, dress and behave as if on campus, mute microphones when not speaking, minimize distractions to self and classmates, and leave cameras on at all times. (Students with cameras off are considered absent.)
- Classes times, assignment due dates or times, and any other dates or times mentioned in class or on class materials are to be in the current Central Times (CST or CDT).
- All virtual classes must be recorded. In order to ensure the availability of the recordings to those who need them, the recordings may not be paused or stopped. Should faculty wish to make the recordings available without gaps in discussion, they may copy and edit the recordings after class.
- The faculty will not explain how to use required technology during class. Those needing help with HBC software (OASIS or Google) may call the college. HBC staff cannot assist with hardware or home internet access, but students and faculty may use college equipment and internet.

- Watching the recording of a class, while useful if a class is missed, does not count as attendance.

GRADUATION

A student will receive a degree or certificate when the following conditions are met:

1. All required courses are completed.
2. All fees and tuition are paid.
3. An earned GPA of 2.00 or higher (undergraduate) **OR** 3.00 or higher (graduate and postgraduate).
4. Graduation fees are paid.

TRANSCRIPTS

The Admissions Office maintains a permanent record of all courses a student has attempted, along with grades, distinctions, suspensions, dismissals, and certificates or degrees conferred.

With the written request of the student, the Admissions Officer will release transcripts to other parties, such as colleges, universities or employers. The official transcripts will be mailed directly to the requested entity.

The first transcript is free. After the first transcript, there is a charge per transcript as indicated in the schedule of fees and tuition. Transcripts will only be released when students have met their financial obligation to the College. Requests for transcripts must include the name and address of the party to whom it should be sent, along with the appropriate fee, social security number, current address, phone number, and personal signature of the student making the request.

*And whatsoever ye do, do it
heartily, as to the Lord, and
not unto men;*

Colossian 3

STUDENT LIFE

HBC considers student life a vital part of the educational process and seeks to provide opportunities for students to apply Christian principles and democratic ideals learned in the classroom to life situations. Students are encouraged to form organizations that support Christian lifestyle, social development, career objectives, and educational opportunities with the approval of the faculty, the Chief Student Personnel Officer, and the Academic Dean.

NEW STUDENT ORIENTATION

Orientation Event (all students)

Each fall, an orientation event is held a week before Convocation for all students admitted to HBC in the past year. This includes a meeting for all new students, as well as separate meetings for Masters and Doctoral students. This event is required for all new students.

Orientation Course (undergraduates)

A sixteen (16) week one (1) hour orientation course is conducted at the beginning of each academic year to acquaint new students with the campus. This includes the HBC Learning Resource Center, fellow students, faculty, and staff. The students are informed of the policies and procedures of the College and administrative details to help them thrive in a college environment. The orientation course is required for all new undergraduate students.

CAMPUS ACTIVITIES

Student Government Association (SGA)

The Student Government Association (SGA) is a student organization led by students. The SGA has its own constitution and bylaws that are approved by the student body and governed by an elected executive committee composed of a president, vice president, secretary, treasurer, chaplain, and two members at large. Its purpose is to sponsor student activities, generate school spirit, and present student views on school matters to the faculty and administration.

Social Activities

While HBC is not a resident campus and all students commute to class each day, social fellowships among students, faculty, and staff are encouraged. Various social events include Spring outdoor barbeques, graduation receptions, the Annual Golf Tournament, and College community events.

SPIRITUAL DEVELOPMENT

Worship Services

Campus Worship services are held each semester. These services offer students, faculty, and staff opportunities to join together in a time of worship and celebration. Campus Worship allows students to participate in planning and implementing the worship services.

Prayer

HBC encourages all classes to begin and end with prayer or a brief period of meditation.

Ministry Formation Program (Practical Christian Service)

This program encourages students to apply their learning in practical ministry situations throughout the city in various churches, rescue missions, shelters, food pantries and other areas of ministry throughout his/her college career at HBC. Two credit hours of Christian ministry are required for associate degree programs and four credit hours for bachelor degree programs as a way of helping students develop ministry skills and expand their knowledge through experience. This program is coordinated by a faculty or staff member and supervised by church leaders and persons designated by the organizations where the student is involved in ministry.

STUDENT SERVICES

Physically Challenged Students

The HBC campus adapts to students with mobility impairments. Modifications or adjustments will be made when necessary for otherwise qualified students, including but not limited to the following:

- Alternate methods of testing and evaluation
- Change of physical accommodations

Counseling Program

HBC's counseling program is organized to support the mission, goals, and objectives of the College. The program embraces the academic assumption that student outcomes are affected by the problems they encounter with regard to the teaching-learning process. The counseling program exists to assist students with academic matters and personal problems that may obstruct their ability to achieve their academic goals.

Learning Resource Center

The goal of the HBC Learning Resource Center is to support the mission of the College. The library provides resource materials of interest to the students, faculty, staff, and the religious community. Books, periodicals, and other resources such as pamphlets, booklets, maps, records, tapes, and DVDs are available in the library. The College ensures that students enrolled in distance learning courses (on-line) have access to adequate and appropriate learning resources and have access to the materials in the on-line digital catalog. The HBC library also provides off-campus access to a variety of electronic resources such as e-book collections, current issues databases, and general and specialized subject databases which are readily available through the Alabama Virtual Library (<http://www.avl.lib.al.us>). All students, on-line and traditional, may access the resources through the College website and link to the Annie Benson Library.

COMPUTER USE POLICY

Huntsville Bible College recognizes that electronic media, including the Internet, provide access to a wide variety of instructional resources and are provided in an effort to enhance educational opportunities. The use of electronic resources must be in support of, and consistent with, the vision, mission, and goals of the college.

The purpose of this policy is to ensure that all HBC technology users share the HBC technology resources in an effective, ethical, and lawful manner. HBC technology should be used for legitimate educational reasons only and not for personal pursuits.

Strict compliance with all applicable ethical and legal rules and regulations must be maintained by all users of any HBC electronic information services. Users must respect intellectual property rights and understand that school data accessible over the network, regardless of the computer or device being used, constitutes HBC property. All electronic, telephonic, and communications transmitted by, received from, or stored in these systems are the property of Huntsville Bible College. Users of such systems should have no expectation of privacy. Student e-mail use for legitimate educational purposes will be subject to monitoring and review. At no time should a student consider HBC e-mail private or confidential in any way.

It is important to note that with a global network it is impossible to control or predict all materials a user may accidentally or purposefully discover on an electronic resource. Huntsville Bible College personnel will make every effort to educate and guide all users in the proper use of electronic media, including the Internet. However, because access to the Internet provides connections to other computer systems located all over the world, users must understand that neither HBC nor any staff member controls the content of the information available on these other systems. Some of the information available is controversial and sometimes may be offensive. HBC does not condone the use of such materials. Therefore, it is imperative that the user is held accountable for the appropriate utilization of this technology. Inappropriate use will result in a cancellation of these privileges.

The definition of HBC information and data resources will include any computer, server, network, or access provided or supported by HBC, including OASIS and Google Suite. Use of computer information and resources includes the use of data/programs stored on HBC computing systems or other storage media that is owned and maintained by HBC. The “user” of the system is any individual using HBC technology. Access is a privilege, not a right, and all students are expected to treat this learning tool with respect.

HBC technology and electronic resources must not be used to:

- Harm other people
- Interfere with other people’s work
- Plagiarize or steal intellectual property
- Gain unauthorized access to other individual’s files or programs
- Gain unauthorized access to online resources by using someone else’s password
- Make changes to the hardware or software configuration of any machine, including installing or deleting any software
- Improperly use the network, including introducing software viruses and/or bypassing local school or office security policies
- Steal or damage data and/or computers and network equipment
- Access, upload, download, and distribute pornographic, hate-oriented, profane, or sexually explicit material

STUDENT CONDUCT

HBC expects the conduct of students seeking education in a Christian environment to be in line with the mission, beliefs, and goals of the College. To assure each person has an opportunity for a productive learning environment, guidelines for conduct and behavior have been established and are described in the policies and procedures section of the Student Handbook.

Grievance/Complaint Policy

HBC respects a student's right to complain about matters that affect their chances for getting a good education and will take appropriate actions to resolve them. Student complaints are primarily categorized in three distinct areas:

1. Instructional
2. Academic/Administrative
3. Other college related situations

The student should discuss instructional complaints with his/her instructor. Academic/Administrative or Other College related complaints should be discussed with the Academic Dean. If the complaint is then not resolved, the College has established the following procedures for resolving them:

1. The student must file a written complaint using HBC's College Complaint Form outlining the nature of the complaint, persons involved in the complaint, date and time of the incident, as well as any witnesses to the incident.
2. The written complaint is forwarded to the Academic Dean for evaluation regarding the right of the complaint, the nature of the complaint, and the completeness of the report.
3. The Academic Dean will seek to ascertain the facts regarding the complaint by getting written responses from the person or persons involved in the complaint. This may involve records regarding attendance, grades, or class work if associated with an instructional complaint. Additionally, written eye witness accounts of the incident will be obtained.
4. The dean will evaluate all data and make recommendations to all parties involved. If a meeting is deemed necessary, the dean will convene a meeting to resolve the issue.
5. If either party is not satisfied with the recommendation, they may appeal to the President, a Resolution Committee, or the Board of Directors.
6. All complaints and resolutions thereof will be documented and kept on file at the college.

Special Note

1. Depending upon the nature of certain student complaints and the circumstances and conditions surrounding them, some may be presented to the HBC Board of Directors for resolution.
2. Students may also file unresolved complaints with the Alabama Community College System, Private School Licensure Division, P.O. Box 302130, Montgomery, AL 36130, Ph. (334) 293-4500, www.accs.edu and or ABHE by calling (401) 207-0808 or by writing to: The Association for Biblical Higher Education, 5850 T. G. Lee Blvd, Suite 130, Orlando, FL 32822.

Undergraduate Certificates and Degree Programs

CERTIFICATE PROGRAMS

CERTIFICATE IN CHURCH MINISTRY

This certificate program teaches the foundation of the Bible and church ministry. The goal is to prepare clergy and laity for ministry in the Church in a practical way. The program requires 15 credit hours for a student who may or may not wish to pursue a college degree, as the course work will transfer to an Associate or Bachelor Degree program. The instruction is designed for shorter periods of time; the courses will be 8 weeks in length.

Program Objectives

Upon completion of this certificate, the student will be able to:

- Demonstrate basic knowledge of the Bible
- Exhibit a fundamental understanding of Christian doctrine
- Demonstrate knowledge of church ministry and current administrative principles and practices in the Black perspective
- Properly use the Bible in real world issues such as finances, family life, and grief
- Demonstrate a clearer understanding of the Bible as it is reread within a cultural context

Program Requirements (16 credits)

- CA 101 Church Administration in the Black Perspective (1 credit hour)
- CH 101 Introduction to Christian Doctrine (1 credit hour)
- CR 100 Conflict Resolution (1 credit hour)
- CS 101 Practical Christian Service (.5 credit hours)

- 2 Bible Electives (6 credit hours)

Course Descriptions are listed with the other undergraduate courses in the following section.

ASSOCIATE OF ARTS DEGREE PROGRAMS

Associate of Arts Degree programs are designed to equip students for ministry. Most programs require 67 credit hours of course work for graduation. At this time, HBC offers five AA options:

1. Associate of Arts in Biblical Studies (name changed 2025)
2. Associate of Arts in Business Management
3. Associate of Arts in Christian Education
4. Associate of Arts in Information Technology
5. Associate of Arts in Missions and Evangelism

The curriculum includes a core cluster of courses in biblical studies and general education. To complete the degree requirements, the student must take an additional 12-18 credit hours in one of the options above.

Associate of Arts General Objectives

Upon completion of this course of study, the student will be able to:

1. Demonstrate a knowledge and understanding of the Bible and an appreciation for its content and authority as the inerrant Word of God.
2. Apply biblical truths and theological principles and concepts to the solution of human problems for the betterment of human life and to the glory of God.
3. Display an understanding of world events from a historical perspective, which shaped the development of Christian religion.
4. Demonstrate effective use of the tools of communication in oral and written forms.
5. Demonstrate knowledge of human behavior with regard to how one responds to psychological/sociological issues, events, and conditions that impact human decisions.

ASSOCIATE OF ARTS DEGREE IN BIBLICAL STUDIES

(formerly AA in Pastoral Ministry; name change effective 06/30/2025)

Program Objectives

Students who choose this option will be able to demonstrate achievement of the general objectives listed for the associate degree and will be able to:

1. Prepare and deliver various types of sermons for different occasions.
2. Demonstrate a knowledge and understanding of the principles and techniques of church growth, church administration, and church organization and management.
3. Exhibit knowledge and understanding of the duties and responsibilities that are generally required of a pastor.
4. Demonstrate an understanding of the principles and techniques of effective leadership and apply them to the operation of the ministries of the church.
5. Exhibit preaching skills in sermon preparation and delivery.

Program Objectives

Upon completion of the degree, the learner will be equipped to do the following:

1. Learners will review and refine the theological basis for ministry in their area of specialization.

2. Learners will be enabled to describe and to evaluate various approaches to biblical leadership within non-profit and for-profit, within private and public organizations.
3. Learners will be taught to use an appropriate research methodology to evaluate and to improve their practice of ministry.
4. Learners will complete a project and dissertation, reflecting their theological basis for ministry and their understanding of sound research principles, while integrating interdisciplinary matters.
5. Learners will be equipped to disciple new leaders, as well as increase their own ministry effectiveness.
6. Learners will integrate a biblical worldview with leadership, education, and social science principles, so that they will have a well-rounded program.

The Doctor of Ministry in Biblical Leadership at Huntsville Bible College will follow the pattern of other accredited institutions of higher learning's cohort programs, in that doctoral students will be admitted individually. However, students will be admitted to a cohort (as a group/a community of learners peer-classmates) who will sequentially begin and proceed together through the degree program. Doctoral students will enhance their knowledge and skill base, cultivate lifelong relationships, and serve as encouragement to each other throughout the student-peer relational process.

If a student fails a core or required course, that student will have to take a leave of absence and then return the following cohort year in connection with another student-peer group.

As a result of scheduled courses offerings, a student will not be able to accelerate the pace of their coursework to attempt earlier completion of the doctoral degree program.

Note: 6 credit hours is considered full time in this program.

LD 740 Interdisciplinary Advanced Leadership Seminar (3 Credit Hours)

This course explores the intersection between the principles and practices of the Christian faith, education, healthcare, government/political, and community nonprofit settings.

BL 710 Proposal Writing & Research Methodology (3 Credit Hours)

This course equips the learner with research skills to conduct postgraduate research and postgraduate and professional writing. The learner will also be prepared to outline a proposal of the specific project-dissertation. This course will coach the learner in the initial exploration and refinement of what is to be studied and researched.

BL 711 Old Testament Theology of Leadership & Ethics (3 Credit Hours)

This course is an in-depth study of Old Testament theology that informs leadership models and ethical principles.

BL 722 New Testament Theology and Practices of Servant Leadership (3 Credit Hours)

This course is an in-depth analysis of New Testament theology and models of servant-leadership.

PS 732 Pastoral Counseling & Congregational Care (3 Credit Hours)

This course is a comprehensive survey of historical models of pastoral counseling and pastoral care that focuses on the whole person, body, mind, and spirit. Biblical examples of caregiving will be reviewed. Congregational care models will be compared and contrasted.

BL 731 Biblical Hermeneutics & Homiletics for the 21st Century (3 Credit Hours)

This course is an extensive historical examination of the theories and methods of hermeneutics. Learners will also analyze refreshed homiletical methods that are faith-foundational and contemporary in practice.

LD 745 Advancing the Vision through Church Finances & Stewardship (3 Credit Hours)

This course is an in-depth study of the biblical principles of understanding, promoting, and practicing faithful holistic stewardship that supports and strengthens the vision of the church or ministry.

LD 750 Reframing Church Administration & Leadership in the African-American Church (3 Credit Hours)

This course explores the reviewing, reevaluating, and refashioning of administration structures and leadership models in the African-American church that relevantly responds to the 21st century church constituency and needs, connecting salvation and liberation.

MI 712 Strategic Inclusive Ministry in a Multicultural Setting (3 Credit Hours)

This course provides an in-depth theological and historical examination of diversity in the church. Learners will also appraise the impact of diversity in our present cultural milieu, assess the challenges of overcoming a homogeneous congregation, and formulate strategies to develop a heterogeneous Christian congregation.

LD 755 Supervised Ministry Practicum (3 Credit Hours)

Course Delivery: Satisfactory completion of a scheduled 200 hours during the second year in a ministry setting. This course immerses the learner in a dual setting of academic study and practical internship-like application in a contextual setting, where the learner gain professional competencies by learning by doing. This involves a written covenant between the learner, the HBC faculty or administrative designee, and the (ministry) contextual contact supervisor.

BL 720.1, 720.2 Project and Dissertation Seminar (6 Credit Hours, Including Part B, & Part C semester settings)

This course is the actual final process of conducting of the research and the project, the writing of and the scheduled dated chapter submissions of the dissertation, the defending of the dissertation, the final approval of the 100-200 page dissertation, and the binding of the approved dissertation (2 bound copies: one will be added to Huntsville Bible College Library and one for the student.)

Note: BL 720.1 & BL 720.2 Project Dissertation Seminar courses must be completed for a grade & for graduation
